

HARSH VARMORA

Gandhinagar, Gujarat 382421

+918200786465 | harshvarmora28@gmail.com | LinkedIn | GitHub

Education

Pandit Deendayal Energy University

Nov 2020 – June 2024

Bachelor of Science in Computer Science, CGPA: 9.63

Gandhinagar, Gujarat

Experience

The Sparks Foundation

Jan 2022 – Feb 2022

Fullstack Developer Intern

remote

- Designed and developed responsive website for payment gateway using HTML, CSS, JavaScript, and ReactJs. Worked with REST APIs, Razorpay to integrate payment gateway to the website. It helped me to understand how to work as an individual and ask for help from your colleagues when needed.

Projects

wallet.me - Expense tracker app | *Flutter, Dart, SharedPreferences* | **Source code**

Live Demo

- Designed and developed a clean and modern Expense tracker app using Flutter and SharedPreferences. Users can track their weekly expenses with dynamic chart visualization. Utilized responsive design to ensure compatibility across all devices. Published on google playstore with 5 star rating.

Pioneer - Placement hiring cell | *Reactjs, Firebase, Tailwind, Framer Motion* | **Source code**

Live Demo

- Placement cells can showcase their profile to the companies. Companies can post the status for hiring purposes. Companies can list all hiring details in their profile. Companies and Placement cells can send autonomous emails to communicate.

Target - Stock Market community | *Flutter, Firebase* | **Source code**

- A Stock market community wherein traders can discuss about indian stocks. Traders can also view live charts of stocks trading in indian stock market. Plan is to include paper trading feature in the application for all segments of national stock exchange(NSE).

Outturn - Track your Crypto Investment | *React Native, React Redux, API, React native charts, Expo* | **Source code**

- It shows Live Charts of all trending Cryptocurrencies out there including Live Price with change in percentage in 7 days of all trending Cryptocurrencies out there along with the Portfolio Screen for live tracking of your investment implemented with Modern Profile Section screen.
